COMPANY PROFILE

About Us

OKO Contracting Services Inc. (OKO) is a 100% Guyanese-owned contracting company that was established in September 2022.

As a woman-founded and managed company, OKO is committed to respecting local laws as well as international commitments that are economical, environmental, and social.

What We Do

We believe in the power of partnership and collaboration between men and women to achieve the best outcomes for our clients.

As a business owner, managing your operations and projects can be overwhelming, especially when you do not have the right expertise or resources.

That is where contracting companies like OKO come in. We offer a range of services designed to make your work more efficient, and cost-effective in a transparent and safe environment.

Why Us

Contracting OKO gives access to:

- Streamlined Project Management
- Specialized expertise that can be difficult and costly to maintain in-house.
- Savings on the cost of maintaining in-house staff and resources.
- Seamless transition of projects and operations that are compliant with local laws and regulations.
